

**DRIVING GROWTH AND STABILITY**

## **MDEM honored in Ukraine's National Business Rating 2025**

**Marine Design Engineering Mykolayiv LLC has earned the “Industry Leader 2025” status according to the National Business Rating of Ukraine (NBR), ranking 7th (“gold”) in the TOP-30 in the “Business Activity” category and 13th (“gold”) in the TOP-55 for the “Asset Turnover Ratio” indicator (Ukraine region).**

These results reflect the company's consistent performance, effective operational management, and transparency of business processes.

The 2025 recognition continues the steady performance trend of #MDEM, which was previously distinguished by the NBR in 2020, 2023, and 2024, confirming the stability of the company's financial and economic indicators and compliance with high industry standards.

We express our gratitude to the entire MDEM Intl. team for your professionalism, resilience, and dedication. Thanks to your daily efforts, the company continues to demonstrate sustainable development, and this recognition affirms the effective implementation of the company's strategic course.

**Together we move forward – toward new results and new projects! <<**
