# Măcin Mountain Fun 2025

On weekend 31/05 MDEG team had the incredible opportunity to act as enthusiastic volunteers in Măcin Mountain Fun 2025 event! This unforgettable contribution became possible thanks to DSGa, since the Shipyard is platinum sponsor of the event for the second year in a row.

The competition was held traditionally in Măcin Mountains near Greci, Tulcea, impressing the participants and visitors with the astonishing views and the picturesque landscape. The great event brought together the mountain bikers (MTB & E-Bike), trail runners, and even the youngest sportsmen for the special race for kids – giving all the spirit of movement, feeling of nature, support of community.

Due to DSGa support ten MDEG colleagues became the volunteers, contributing their energy, care, and dedication to the best of the event. And it was not only working together on the hydration points but a fantastic opportunity to reconnect within MDEG team and get along with our colleagues from DSGa and DWR in the friendly and sporting environment. Whether working side by side on the points or sharing stories near the concert area, we've got the new friendship, real teamwork, and good memories.

Many thanks you to everyone who made this weekend so special. We are looking forward the chance to be involved into the next Macin Fest within Damen! <<
