

## MDEM representatives within the Ukrainian Maritime Cluster delegation took participation in the International Workshop and the Brokerage event in Romania

On August 17 and 18, MDEM representatives within the Ukrainian Maritime Cluster delegation, took participation in the International Workshop on: “The Cultural Dimension of the Ports from the Black Sea and Danube Region” and the Brokerage event “Joint Venture Opportunities between Companies from Romania and Ukraine for Boosting Blue Businesses in Maritime Transport”.

The aim of this event was to generate proposals in order to facilitate companies and enterprises from Ukraine to overcome circumstances provoked by the war on the way to the possible stabilization and recovery period by stimulating cooperation with Romanian partners, as well as cooperation between port administrations of the Black Sea and Danube regions.

The presentation of the Ukrainian Maritime Cluster covered aspects of its creation, a brief overview of its activities, participants and partners, a description of the key players of the Ukrainian maritime industry and their attractiveness for international cooperation, as well as participation in the 4BIZ (Boosting Black Sea Blue Biz) grant project.

We offer to get acquainted with the course of events via the following links:
