

## MDEG signed of a strategic collaboration agreement with University „Dunărea de Jos” of Galați

**Marine Design Engineering Galați SRL (MDEG) is proud to announce the signing of a strategic collaboration agreement with University „Dunărea de Jos” of Galați, a distinguished academic institution recognized for its excellence in engineering, shipbuilding, applied sciences, as well as its rich tradition of research and education.**

The signing ceremony brought together key representatives from both sides. From MDEG - Director, Candidate of sciences, As. Prof. Olena Zhukova and Director of Administration Dumitru Lazar formalized the partnership, while the university was represented by Rector Prof. univ. dr. ing. habil, Marian Barbu, and Dean of the Faculty of Naval Architecture, Dr. Costel Ungureanu.

This agreement establishes a framework for active partnership, enabling both parties to support and promote initiatives of common interest. By aligning academic excellence with real-world engineering practice, the collaboration aims to create meaningful opportunities for students, researchers, and professionals. It reflects the belief that sustainable industry growth begins with investing in people, and that bridging education with business is essential to shaping a resilient, globally minded specialists.

MDEG thanks University „Dunărea de Jos” of Galați for their trust and shared commitment. Together we look forward to building a dynamic ecosystem where knowledge, innovation, and talent thrive. «
