

Mr. Kommer Damen visited MDEM Intl. team at MDEG office

On Thursday, January 16, MDEM Intl. team had a great pleasure to welcome the honored delegation led by **Mr. Kommer Damen** that visited the office of **Marine Design Engineering Galati**.

Before the participation in the steel cutting ceremony at DSGa, Mr. Kommer Damen visited MDEG and met with its employees. **Olena Zhukova**, MDEM Intl. Director, made a presentation for the distinguished guests providing an overview of the MDEM and MDEG current state and prospects. The Managing Director explained the organizational structure of the companies and their interaction within the international model, along with a financial update, described personnel allocations between international offices and facilities, as well as services

provided by the company and social projects performed with Damen Helpt foundation support. **Olena Zhukova** highlighted that despite of the war challenges and with strong Damen support MDEM Intl. succeeded to make good progress on the way to a sustainable and peaceful future. **Stanislav Seleznov**, MDEG Manager, provided a brief overview of company's engineering projects. The day before Mr. Kommer Damen also visited the **Association for Helping Ukrainians in Romania** which from the first days of the war, has been supporting Ukrainian families with relocation and adaptation.

We express our sincere gratitude to Mr. Kommer Damen for his support and care and look forward to future engagements.
