

DAMEN SUPPORT FOR UKRAINIANS

Annelies Damen and Anne-Carline van Lankeren visited the Help Ukrainians Association and the MDEM Intl. office at DSGa

It has become a great tradition and a good sign for MDEM_Intl. employees and their families to welcome Annelies Damen, Member of Supervisory Board of Damen Group, during the Easter period in Galati, Romania. Together with Anne-Carline van Lankeren, Corporate Legal Counsel, Damen Global Support, she brought warmth and gave hope to all those who had the honor to meet her during this visit.

Since the beginning of the Russian invasion Annelies Damen together with the Foundation Damen Support team and Damen colleagues, has provided consistent and sincere

support to MDEM Intl. families. These are not only the words and a show of solidarity but these are the real actions for the last 4 years: the evacuation of families to safe

locations, humanitarian aid, numerous social initiatives for children and their parents, fundraising campaigns, and many other remarkable projects.

Right after arrival in the company of Olena Zhukova, MDEM Intl. Managing Director, Paula Baicu, DSGa HR Director, and Oana Carman, DSGa Supply Chain Director, Annelies and Anne-Carline visited to the Community Center - Help Ukrainians Association. There our guests were welcomed by MDEM Intl. families, that expressed gratitude for living safely and feeling like home in Galați.

While the Association was filled with the blend of homemade cookies, the ongoing handicraft activities, Romanian language classes, drawing and karate lessons created a warm, thankful and welcoming environment for that visitors. In fact, most of activities have become possible thanks to the dedication and care of Damen and the Foundation Damen Support team.

The second day of the program started with a Damen Shipyard Galati Yard tour led by DSGa Management Team. After the Yard tour Annelies and Anne-Carline paid a visit to MDEM Intl. team at the MDEG office. There colleagues gathered to express appreciation for continues support and meaningful initiatives which filled their life with hope during the challenging times for Ukrainians.

Dear Annelies, Anne-Carline, Foundation Damen Support team and entire Damen family, your commitment and great efforts mean really much for us! It's impossible to overestimate your contribution to create the world a better place. Thank you for the happy smiles of our children and for giving hope for a brighter tomorrow."
