

Harbour & Voyage shiprepair

24/7 WORLDWIDE ON-SITE VESSEL REPAIR

DAMEN
SHIPREPAIR

Repairs and refits done anywhere, anytime

Time is money and schedules are tight, and repairs cannot always wait for the next scheduled docking. Damen Shiprepair Harbour & Voyage (H&V) delivers maintenance and repair crews to your ships, wherever they may be. Regardless if the repair work needs docking facilities, Damen H&V riding teams will deliver results with minimal or even zero downtime. There's no need to change the vessel's schedule.

Quick, reliable, cost-effective ship repairs

Don't compromise on the safety, efficiency and reliability of your vessel. Choose Damen Shiprepair Harbour & Voyage, your trusted partner for emergency repairs, on-site vessel services during voyages, portcalls, or at layby locations. With us, your ship is in the most capable hands, 24/7, wherever you sail. With a single point of contact our on-site repairs are fast, cost-effective and meet all regulatory requirements.

Our capabilities include:

- › Lifetime extensions
- › Vessel modifications
- › Installation of scrubbers/water ballast systems
- › GRE pipe installation
- › FSRU modification
- › Damage repairs
